- Nu se acordă puncte din oficiu.
- Timpul efectiv de lucru este de 90 de minute.

I. Read the following text and fill in the blanks with ONE word only.**10 points**

Poundbury's buildings imitate the quaint cottages and grander houses of 18th-century Dorset. If you find such reproductions of the past artificial, 1.____ you will certainly not enjoy Thames Town, a new development just outside Shanghai. Rarely 2.____ you find nostalgia taken to such extremes. But this is not nostalgia for traditional Chinese living. Thames Town is modelled 3.____ the English town of Dorchester, not far from Poundbury, and is part of a plan to create a new suburbia for Shanghai's richer classes.

But are these model towns a success? As 4.____ as friendly urban planning goes, Poundbury 5.____ seem to work. Businesses are placed close to residential buildings, 6.____ have small gardens, but there is plenty of communal green space, making 7.____ easy to get to know your neighbours. Unfortunately, the 8.____ cannot be said for Thames Town. It is popular with day visitors and Chinese couples wanting to recreate western-style weddings, but, going 9.____, you get the distinct feeling you are in a museum rather than somewhere lived 10. ____.

| 5. Unfortunately, our best friends are moving house so soon.
If only our best friends _____ so soon. | OUT |

IV. Translate the following text into English.

10 points

Nem tudhatjuk, hogyan változott volna meg a kor történelme, ha Enver Pasa megparancsolja fáradt és demoralizált seregének, hogy a hágókon át a Trabizonda felé vezető úton haladjon, és egy pillanatra Torlakian Misak ágyújának útjába kerül. De talán Enver Pasa, a kis parancsnok, aki Napóleonnak vagy Nagy Frigyesnek képzelte magát, de aki a Şarikamişi vereség után, ahol seregének közel százezer katonájából több mint négyötödét, akárcsak királyi bálványának több mint egy évszázaddal korábbi katonáit, tífusz és megfázás pusztította el, már nem volt olyan truváj és vakmerő. Ezért úgy döntött, hogy feladja a tengeri utat, lement Sivason keresztül Közép-Anatóliába, és a macskaköves utakon maradt, amelyek kényelmetlenebbek voltak legyengült seregének és magas sarkú csizmáinak, egyenesen nőiesek, de sík, és ezért biztonságosabb fennsíkokkal körülvéve. A fővárosba visszatérve, saját gyengesége miatt zavarban és a szövetség többi tagjához hasonlóan nem kicsit bosszúállóan, első parancsa az volt, hogy visszavonja az örmény származású katonák lefegyverzését és koncentrációs táborokba küldését célzó akciót.

(Varujan Vosganian *A suttogások könyve* című művéből)
